Registration begins June 20 and will continue to be processed for each course through the first day of a
course, if openings still exist. Please register early since certain courses fill up quickly. Members will be
notified about the course(s) to which they are assigned prior to the first day of class. Specific rooms at
each location will be assigned at that time.

● Additional small fees (non-refundable) may be incurred for copying of handouts, off-campus
activities, and special events.

● If a course is oversubscribed, only those registrations received by July 31 will be placed in a
“lottery.” After the lottery, members who registered prior to July 31 and were not selected will be
placed on the waiting list and will be notified if a space becomes available. However, the waiting list
will not be carried over to the next semester.

● OLLI reserves the right to cancel a scheduled course because of low registration, non-availability of
a facilitator, or any other unavoidable circumstance. Members will be notified as soon as possible.

● Please do not show up at a class without permission from our staff if you are not assigned to that
particular class.
