

# How to be a Facilitator for OLLI

This presentation will provide information and encouragement for OLLI members to investigate ideas and develop course proposals to ensure that OLLI at UMass Boston will continue to thrive and provide interesting courses to attract new members and retain current members. We will provide practical input and assistance to members who are thinking about being facilitators, but not sure about the content, the format, or the lesson plans. We will work together to put ideas into reality. Past and current facilitators are also welcome.

**Presenter:** *Sharon Carey, Dot Cole, & Wichian Rojanawon*

Sharon is an OLLI member and a facilitator who has extensive experience in teaching and mentoring. Dot Cole is the Co-Chair of the OLLI Curriculum Committee who has taught for OLLI. Wichian Rojanawon is the Director of OLLI who has also taught for Adult Education programs for over 15 years as well as mentoring new facilitators.
